

YOUR TRUSTED PARTNER FOR
COMPREHENSIVE HEALTHCARE SOLUTIONS

As a proud subsidiary of EXWOR Group, **EXWOR Healthcare** brings the same level of excellence, professionalism, and innovation to healthcare services that our clients have come to expect from the EXWOR brand. By partnering with us, our clients also gain access to EXWOR Technical Assistance Center services, creating a seamless integration of healthcare and technical solutions tailored to their unique needs.

OUR SERVICES:

General Medicine : Our team of qualified general practitioners is equipped to diagnose and treat a wide range of health conditions, offering personalized care and medical advice to ensure the well-being of every patient.

Occupational Medicine: We provide specialized occupational health services to monitor and maintain the health of employees in various industries. Our team ensures compliance with workplace health regulations, conducts preventive health checks, and addresses job-related health concerns.

Medical Psychology : Our certified medical psychologists offer support for mental health issues, helping employees and individuals manage stress, anxiety, and other psychological challenges that can impact both personal and professional life.

Professional Medical Teams at Client Disposal : EXWOR Healthcare provides a full spectrum of medical professionals, including doctors, dentists, nurses, and ambulance drivers, ready to be deployed to client sites. This ensures you have access to skilled healthcare teams to meet your specific needs, whether for routine care or emergencies.

Analysis Laboratories : Our cutting-edge analysis laboratories are equipped to perform a wide range of medical tests, ensuring accurate and timely results that support diagnosis and treatment.

Ambulance Services & Rental : EXWOR Healthcare offers ambulance services, including the rental of ambulances fully equipped with advanced medical equipment and staffed by experienced paramedics. Clients can utilize our ambulances either for emergency response or as a rental option at their disposal, ensuring that medical transport needs are always met, 7/24.

Air Transport : EXWOR Healthcare utilizes medical aircraft and rescue helicopters to transport patients with medical assistance and support, both domestically and internationally. This service ensures swift and safe medical transport for patients who require specialized care or emergency evacuation to or from abroad.

Medical Scanning Services : Our advanced scanning technologies, including MRI and CT scans, deliver precise imaging for accurate diagnoses, assisting medical professionals in crafting effective treatment plans.

Medical Radiology : Our radiology department offers a comprehensive range of imaging services, including X-rays and ultrasounds, ensuring that patients receive the highest quality diagnostic care.
